DEDICATION

When people talk about a class that they like, it is often not the subject but the teacher that they are referring to, a teacher who makes a class fun, who laughs with his students, and who makes his students want to be in that class. At MSJ, we have a teacher like this — Mr. James Kelley. Mr. Kelley is more than just a teacher; he is a very special friend.

It is with a great deal of love that we, the class of 1981, dedicate our yearbook to Mr. James Kelley.

Mr. Kelley's more serious side!

Mount Saint Joseph Academy

RUTLAND, VERMONT 05701

To the Class of 1981

Four years ago you entered M.S.J. as young freshmen, and now suddenly you are ready for graduation.

During that period of time many things have happened to you. You have grown in age and knowledge, and hopefully in wisdom. You have formed close friendships, known some hurt and chosen a course for the future.

May God fill that future with love, happiness and His Grace.

I would ask you to set three priorities in life to ensure your fulfillment as persons. Be faithful to God and the gospel of Jesus Christ. Be kind and loving to others. Remember that the things of real value can only be seen by the heart.

May God bless you all.

Father Lavallee

During the past 12 months, I have had the pleasure of attending Mt. St. Joseph as a Rotary Youth Exchange Student. This year offered a unique opportunity to experience the culture and lifestyle of my peers in a foreign country. It has been a wonderful time of learning, new horizons, and friendship.

I would hope that Mt. St. Joseph will become more involved with the Youth Exchange Program by allowing other foreign students like myself to join them in becoming part of the MSJ community. Perhaps, in the future, the school would like to participate in a more active way by sending abroad a student from the Academy.

To Father Lavalley, the MSJ faculty, and my fellow students: I offer my sincere thanks for your acceptance, your guidance, and most importantly, your friendship. The beautiful friends and memories I have made this year will always hold special meaning and remain with me, as will the loving spirit of Mt. St. Joseph.

I wish you all much happiness and the best in all you do.

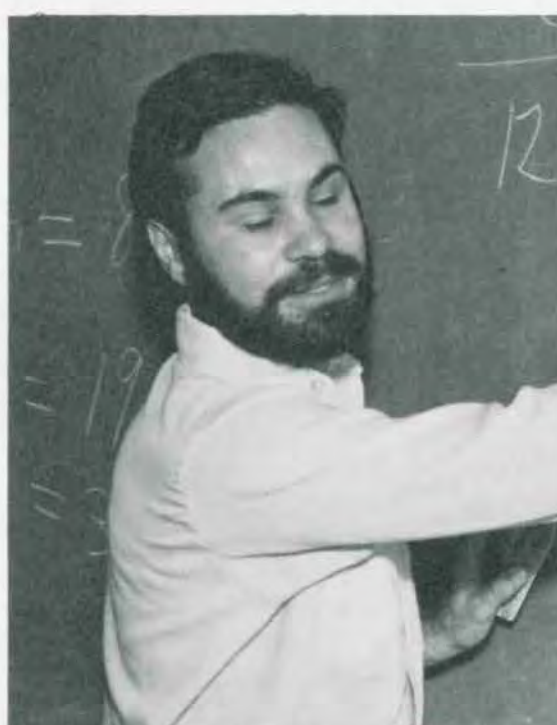

With love and thanks,

Sue Anderson
Brisbane, Australia.

PARENTS AND FRIENDS CLUB

For the past ten years, the Parents and Friends of MSJ have been a money-raising organization.

Our major project has been a Bingo every Wednesday night.

Over the past decade, we have given MSJ over \$100,000.00 in operating expenses plus improvements and renovations and materials for the faculty. We feel we have equipped this school with as many facilities as any other school in the State.

Some of the improvements made were the entire new look in the lobby, the double doors, light fixtures, and furniture for the classrooms.

One does not have to be a parent to belong to the Parents and Friends of MSJ: be an alumnus, friend, or parent of a student-past, present, or future.

We are proud to be a part of the MSJ community and realize we are different where it counts.

The Mounties marched 5 yards for another tally before the period ended with the aid of a long strike. On fourth down at the Essex 34, O'Rourke sent Motroni out of the backfield on a deep slant. Motroni put a step between himself and a defenseman and O'Rourke laid the ball on the money, finding his mark near the goal line. Motroni took the ball and waltzed in for the score at the right flag, 14-0.

MSJ's defense has been almost perfect all season and has yielded only eight points a game during its previous nine contests. The Mountie line is quick and solid but the linebacking corps led by Motroni has proven to be perhaps the toughest part of the defense.

John Miles, MSJ — squad and led the team change from defensive to offense. The MSJ and an offensive back that is as good as any state, should extend Rutland losing streak seven games in this time rivalry.

The Mounties will have an abundance of quick and strong running backs to throw at the Rutland defense and the ability to move freely in the pocket can result in long pass completions to ends Tom Aicher, Kyle Buzzell and Mike Ragosta.

That theory held water in a big way here at Saint Peter's Field Saturday, where a flood of Mount St. Joseph points

MSJ's Mike Messier.

Mountie coaching tandem of Funzie Cioffi and Tony Zingale might be winding up a very successful 25 years. And because of this the crowd might even be a bigger than normal MSJ-Rutland contests.

Mount St. Joseph quarterback Jim O'Rourke (13), pursued by Essex defensive halfback Dave Fausel, scampered out of the backfield on this play to turn an apparent loss into a 20-yard gain. O'Rourke rushed for 43 yards and passed for 148 and three touchdowns in leading the Mounties in a 42-12 thrashing of Essex Junction.

MSJ marched the second-half in for a score, and with it effectively buried previously unbeaten Essex Junction by a 42-12 margin. "Game of the Year" Mount St. Joseph beat Essex Junction 58-20 in their first Division I title since 1977.

This year we would like to express our heartfelt thanks to Sr. Shirley Davis and Sr. Mary Clementine Sikora. This marks Sr. Shirley's twenty-fifth year in the convent and her nineteenth year as a teacher at MSJ. Sr. Clementine has celebrated her seventieth year in the convent and her fiftieth year as a member of the MSJ faculty.

Although we do not often express our gratitude, your dedication is not overlooked. Our wish is that your unselfish devotion and love for God will serve as a shining example for others. You shall always be remembered in our hearts.

Father Bean,

During this year, your first away from the Academy in many years, you are truly missed. Memories of our three years at the Mount with you still remain dearly, as you do, in our hearts. These warm thoughts will be with us forever. Thanks so much for sharing a part of your life with us.

STUDENT SENATE

SITTING: K. Solari, B. Austin, K. Hackett, M. Liscinsky, B. Austin, A. Sullivan
STANDING: V. Motroni, M. Thorne, J. Battles, M. Burke, R. Liscinsky, K. Omland

The 1980 Student Senate consisted of sixteen members, four from each class. Faculty advisors were Mr. McCue and Miss Sullivan. Their officers were as follows: Kevin Burke, President; John Battles, Vice-President and representative to the School Board; Kevin Omland, Treasurer; and Kathleen Hackett, Secretary.

The Senate sponsored the traditional projects such as Project Help and Hand-in-Hand. Project Hand-in-Hand had usually taken place at a home football game, but this year they held it at the minstrel instead. The group also sold doughnuts during the morning study halls. One of the new projects that the Senate started this year was a football pool for the Monday night football games. They also planned a Deer Hunter's Breakfast to raise money for their scholarship fund. In addition, the Senate worked in cooperation with the class officers to get the privilege of having dances reinstated.

The Student Senate was also involved in community service. Students worked on banquets for retired citizens and also had a monthly representative to the Rutland Lion's Club.

Because all Senate meetings are open, many non-members attended and showed an interest in helping on projects.

Many thanks to all Senate members for all of their time and cooperation; also, a special thanks to all of the non-members who helped selling doughnuts. The Senate would like to thank Debbie Bourgeois for all of her time.

1981 Yearbook Editors

Marcy Mattsson

Aloonsri Montgomery

In the beginning, there were blank pages and blank minds. As time progressed, ideas were born and pages became filled with pictures and words that expressed the difficulties and joys of our years here at the Mount. We filled this book with memories that we wish to remember in the years to come.

We started with an imagination, a helpful staff, advisors, and a couple of TABs. Our imagination grew, our staff grew, our advisors became very helpful and understanding, and the yearbook room became filled with empty TAB cans.

We gave our study halls, after school, and a few Friday nights to compile our memories into the 1981 yearbook.

We wish to express our sincere thanks to everyone who helped us.

In the end, there was a yearbook that held our memories. We hope you've enjoyed reading it as much as we've enjoyed composing it.

Love to all,

*marcy a. mattsson

Good timber does not grow in ease;
The stronger the wind, the tougher the trees;
By sun and cold, by rain and snows,
In tree or in man, the best timber grows. —Malloch

Alice, a childish story take,
And with a gentle hand
Lay it where childhood's dreams are twined
In memory's mystic band,
Like pilgrim's withered wreath of flowers
Plucked in a far-off land.

CHILD of the pure unclouded brow
And dreaming eyes of wonder!
Though time be fleet, and I and thou
Are half a life asunder,
Thy loving smile will surely hail
The love-gift of a fairy-tale.
